I agree to strictly comply with all the terms, provisions and conditions of Ordinance 38-1 of the Inc. Village of Malverne, an ordinance to regulate, control and prescribe the method and manner of construction, repair and maintenance of all sidewalks, curbs, etc. in the Inc. Village of Malverne, Nassau County, New York.

Homeowner will be held responsible for any damage to curb side trees or their roots as a result of sidewalk repair.

Inspection is required prior to pouring concrete. Please notify the Building Department at 516-599-1200. 24 hour notice is required.

Contractor's waste is the responsibility of the permit holder or contractor for removal.
